

BOOK LAUNCH & SEMINAR

Performance Indicators in South African Higher Education 2000 to 2008

7 April 2011, 13h00–16h00, CHEC Board room

AIMS OF THE MEETING

The aims of the meeting are threefold:

- Introduce our new South African Higher Education Performance Indicators book (both the Summary and the Full version)
- Demonstrate our online tool that allows people to construct custom performance indicator graphs (including data up to 2009) and to download the data in Excel
- Have a discussion about data strengthening the link between data and management

And to see each other again.
